THE CENTER CLUB
BALTIMORE

To: Members of the Johns Hopkins Club
From: Christopher Dreisbach, President, the Johns Hopkins Club
Subject: Extended Temporary and Exclusive Opportunity for Johns Hopkins Club Members
Date: April 25, 2022

Dear Johns Hopkins Club Members,

Due to the closure of the Hopkins Club facility for renovations, The Center Club of Baltimore has graciously extended the temporary Enhanced Reciprocity to Johns Hopkins Club members for 2022 through December 31, 2022. This is a unique opportunity for Hopkins Club members to enjoy the renowned Center Club view, excellent cuisine, and service; to entertain friends & family; to attend speaker programs and special events; to host meetings; and to celebrate the holidays throughout the year.

Normal reciprocity allows Hopkins Club members to dine at the Center Club and bill their charges to a credit card when accompanied by a Center Club member. But as a special exception, Hopkins Club members would be given full and unaccompanied access (with a few exceptions) to the Center Club, through December 31.
